RESPONSE TO THE RECEIVER’S “FINAL NOTICE” [DOC 1409]

In an abundance of caution, Novo Point LLC and Quantec LLC respond to the Receiver’s latest ‘notice’, as follows:

1. To transfer control of the webhosting account, the Receiver simply needs to reveal the account’s user name and password. The Receiver failed to turn over this information in March and continues to delay surrendering control by withholding the information. Instead, the Receiver filed a series of false reports with this Honorable Court.

2. For example, in his latest filing the Receiver’s falsely reports that on Monday “Mr. Payne did not respond”.¹ The falsity of the Receiver’s report is shown by the Receiver’s own exhibits.²
